

## MULTICOVER 935

SECURITY AND TIME SAVING WITH THIS DISPENSER

Discover the new Multicover decoiler, the Ripack-reel dispenser that allows you to handle your reels easily.

With the Multicover dispenser and its adjustable length (from 1,3 to 2 meters), you can store up to 4 spools (3rd and 4th spool optional) on your dispenser. This way you can sizes of film, pre-cut sleeves or tubing at your fingertips.

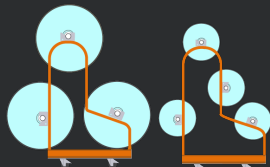

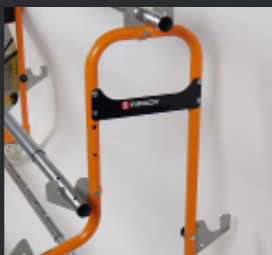

Thanks to its roller system, it can be easily moved to insert new rolls or shrink them in another area of the warehouse.

Easy installation and operation ensures that the rolls of film are tidy and within easy reach.

Add an optional sealing head to make it a Multicover film sealer.
