

GAS HOSE REEL

FOR A PACKAGING STATION ALWAYS TIDY

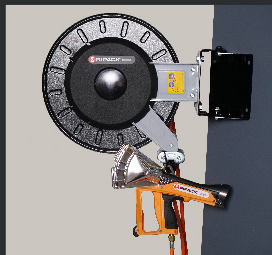

The Ripack swivel gas hose reel ensures a longer product life for your equipment. A quality job also depends on the Ripack accessories you use.

Like any workstation, a Ripack shrink-wrap station functions best when equipment can be properly stored. With its automatic hose retraction system, you no longer have to drag your Ripack shrink gun around.

A ratchet locks your hose at the required length to make it easier to shrink-wrap your pallets. Simply pulling on the hose triggers the retraction mechanism.

The reel is an alternative to the Ripack gas bottle trolley and also makes it easier to move around goods that need shrink-wrapping.

TECHNICAL SPECIFICATIONS

Item code	N°334081
Length	15 m hose + 4 m supply side
Coating	Sheet steel + epoxy paint
Length/Width/Height	210 x 495 x 475 mm 8,3" x 19,5" x 18,7"
Weight	35,3 lb / 16 Kg
Package dimensions	360 x 580 x 570 mm 14,2" x 22,8" x 22,4"
Package weight	46,3 lb / 21 Kg
Example of use	NG and bottle of 72,8 lb (33 Kg)

EQUIPMENT SOLD SEPARATELY

RIPACK 3000
