936 / 936 + GAS BOTTLE TROLLEY

MOBILE PACKING STATION FOR SHRINK WRAPPING

1 YEAR*

936 936 +

The Ripack gas bottle trolley is the essential accessory to move your gas cylinders easily and safely and to ensure the longevity of your equipment.

A quality job also depends on the Ripack accessories you use. Moving to your loads is sometimes mandatory in the case of unstable loads. With the Ripack gas bottle trolley, move your shrink station easily.

Its design allows a great support and the mast assists you in the handling and protection of the hose.The new carts were thought to be a real workstation. They are designed to be a real workstation, which is why they are equipped with a tool bag, allowing you to carry your tools easily. The 936+ cart is also equipped with a shelf, as well as a magnetic device.

Model 936
A secure packing area and a tidy shrink station.

Model 936 +
A simple and practical mobile packaging station.
