GAS HOSE REEL

FOR A PACKAGING STATION ALWAYS TIDY

The Ripack swivel gas hose reel ensures a longer product life for your equipment. A quality job also depends on the Ripack accessories you use.

Like any workstation, a Ripack shrink-wrap station functions best when equipment can be properly stored. With its automatic hose retraction system, you no longer have to drag your Ripack shrink gun around.

A ratchet locks your hose at the required length to make it easier to shrink-wrap your pallets. Simply pulling on the hose triggers the retraction mechanism.

The reel with a 15m hose is an alternative to the Ripack gas bottle trolley and also makes it easier to move around goods that need shrink-wrapping.

TECHNICAL SPECIFICATIONS

Item code	**N°334081** Natural Gas **N°335348**
Length	15 m hose + 4 m supply side
Coating	Sheet steel + epoxy paint
Length/Width/Height	630 x 180 x 500 mm 25” x 7” x 20”
Weight	39,7 lb / 18 Kg
